

A judge watches as Eric VanSanten of Assiniboine Community College creates a caesar salad from scratch during the Manitoba Skills Restaurant Service competition on Sunday afternoon.

## SUPER SERVICE

Genevieve Simard of Assiniboine Community College prepares to serve the drinks she created during the Manitoba Skills Restaurant Service competition at Assiniboine Community College's North Hill campus on Sunday afternoon. Four ACC hotel and restaurant management students and their four Red River College counterparts competed in the all-day provincial competition for a shot at representing Manitoba at the Skills Canada Competition in Quebec City in June. The competition included linen handling, bartending, dining room service, table-side cooking, wine service and wine identification. The main component was the table-side luncheon service. *(Tim Smith/Brandon Sun)*
