

2010 13th ANNUAL SKILLS MANITOBA COMPETITION CONTEST SCOPE

CONTEST NAME: Digital Photography

CONTEST NO: N/A

LEVEL: Secondary

CONTEST LOCATION: Red River College – Notre Dame campus

NOTE: Secondary level: 3 competitors per school.

CONTEST START TIME AND DURATION: 9:00 am to 10:30 am judging to start @ 11:00 am sharp.

PURPOSE OF CHALLENGE: To further photographic knowledge.

SKILLS AND KNOWLEDGE TO BE TESTED: Composition, Design, Changing Resolution. It is first & foremost a Photography competition – not a Photoshop competition!

POINT BREAKDOWN (100 POINTS) A Demonstration image that students bring with them - 30%. Students will produce 2 images at the competition that are worth 35% EACH.

EQUIPMENT, TOOLS, MATERIALS TO BE PROVIDED BY COMMITTEE: The committee will supply the computers, if you wish to bring your own please check with the committee first due to space.

JUDGING: All images will be judged on a 30 inch apple monitor By 3 Professional Photographers of Canada Manitoba plus a 4th as a jury chairmen all competitors and guests are welcome during judging.

Names and websites of the Judging panel will be posted a week before the competition. All judges are members of the PPOCMB.

No prints will need to be printed.

EQUIPMENT, TOOLS, MATERIALS TO BE SUPPLIED BY COMPETITOR:

Each competitor must bring a digital camera & card reader (plus spare batteries & memory card) to do the assignment. A tripod & flash and assorted lenses is optional – bring them if you think you will need them.

WORKSITE SAFETY RULES / REQUIREMENTS: No drinks or food near computers & please observe proper behavior.

NOTE: Please bring the demonstration image on a jump (flash) drive.

The demonstration image is your chance to show off your Photoshop skills – it can be any subject – colour or black & white – any manipulation you choose to do!
After all registration is complete, Each competitor will be given a set of letters and numbers for their identification – one for the demonstration photo and one for each of the 2 images they will do for the competition. Images will be saved using this identification

ALL photos must have a resolution of 2560 X 1600 ppi and be saved as JPGS!
