

Northern Skilled Trades & Technology Showcase

Skills Canada Manitoba will be offering its Skilled Trades and Technology Showcase in Flin Flon on Tues. May 29, 2018 for Gr. 9-12 students. Sign your students up early for what promises to be an exciting time for direct hands-on learning, career exploration and tons of fun!

What is the Northern Skilled Trades and Technology Showcase?

A one day conference for students to learn about trade and technology careers, available in today's employment market. The conference will highlight different vocations in trades and technology, introduce students to mentors working in the trades or technology field and provide employment and career planning information.

Who can participate?

This Program is geared for high school students, who are creative and dynamic and are interested in exploring career options in the north. We suggest that students come from a variety of academic levels.

Who is Skills Canada Manitoba? Skills Canada Manitoba is a not-for-profit, charitable organization that works with youth, parents, communities, industry and government to increase awareness of the rewarding careers available in Skilled Trades and Technology.
